

REGENERATIVE ORGANIZATIONAL DEVELOPMENT

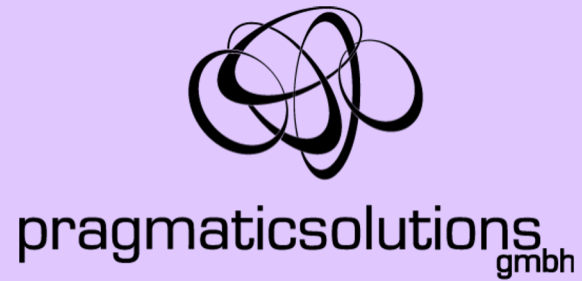

Together cultivating
healthy organizations

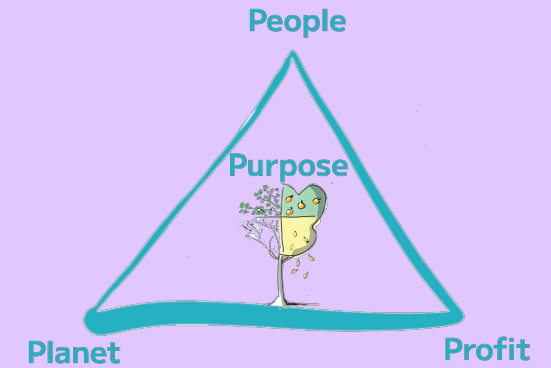

HOW CAN I ADDRESS THE
PARADIGM SHIFT FOR MORE
SUSTAINABILITY IN MY
ORGANIZATION?

SUSTAINABLE
DEVELOPMENT
GOALS

**Together cultivating
healthy organizations
for an attractive future**

Founded in 2006

Self-financed

Owner-led

Aspects of regenerative organizational development

Regenerative Organization Development

Step by step towards more sustainability and regeneration in your organization

Sustainable Business Model Generation

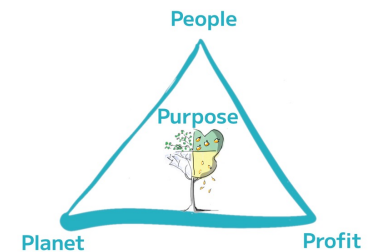

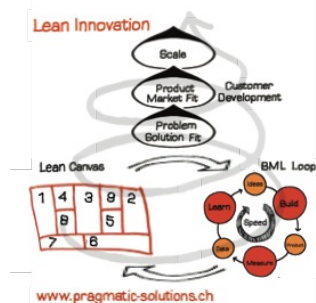

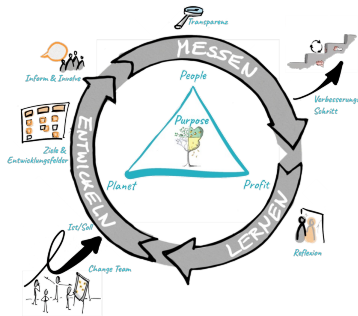

Development of sustainable and future-proof business areas suitable for grandchildren

Leadership Development

Developing and strengthening competencies for today's and tomorrow's leadership

Paradigm shift

Moving away from «either/or» towards an organization in balance with People, Planet, Profit & Purpose

How to start?

Kickstart Workshop

What does it take to initiate a paradigm shift towards more sustainability in my organization?

½ - 1 day

Training «Sustainable Business Model Generation»

Workshop-format training for the (further) development of your sustainable product or business ideas based on the Lean Innovation methodology.

2 days

Sustainable Portfolio Management

Teaser workshop to experience how sustainability can be integrated into strategic portfolio management.

1 day

Integral Organizational Assessment

Where does my organization stand in terms of sustainability? What are our most relevant action areas?

Subject to agreement

Leadership Team Retreat «Inner Growth for Outer Impact»

Offsite team retreat featuring a blend of indoor and outdoor activities to cultivate and enhance the inner skills needed for sustainable development.

3-4 days

Purpose-Vision-Mission-Workshop

Why do we exist beyond profit? Workshop to sharpen the purpose, vision, and mission of your company.

1 day
